ED 351 559 CE 062 431

TITLE	Tests of General Educational Development Bibliography.
INSTITUTION	American Council on Education, Washington, D.C. General Educational Development Testing Service.
PUB DATE	Aug 92
NOTE	38p.; For the 1987 edition, see ED 291 897.
PUB TYPE	Reference Materials - Bibliographies (131)
EDRS PRICE	MF01/PC02 Plus Postage.
DESCRIPTORS	Citations (References); Educational Resources; *Equivalency Tests; *High School Equivalency Programs; High School Graduates; Military Training; *Outcomes of Education; Research Reports; Teaching Methods; Testing; *Testing Programs
IDENTIFIERS	*General Educational Development Tests

ABSTRACT

This document is a 596-item list of books, papers, journal articles, dissertations, and other materials concerning the General Educational Development (GED) tests. Topics covered include postsecondary educational outcomes for GED completers, military aspects of the GED program, scoring GED tests, test norms, benefits of participation in the GED program, social studies and the GED, adult learning, teaching methods, test coaching, measuring writing ability, reading skills, using newspapers for delivering GED programs, veterans' performance on the test, and statewide follow-up studies of GED test completers.
